Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.
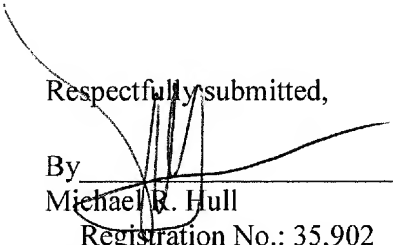

In the Claims:

Claim 12, Column 7, Lines 30-31: Please delete "the relay shuts the air release valve an opens the liquid valve" and replace with "the relay shuts the air release valve and opens the liquid valve"

The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination. The error was in the application as filed by applicant; accordingly the $100.00 covering the fee set forth in 37 CFR 1.20(a) is submitted electronically.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Dated: May 2, 2007

Respectfully submitted,
